NOTICE OF CORRECTION

On Wednesday, February 16, 2000, the Office of Mineral Resources on behalf of the State Mineral Board advertised in the Notice of Publication for receipt of sealed bids on or before 12:00 noon on Tuesday, April 11, 2000, for State Leases to be awarded upon Tract Nos. 32454 through 32479, inclusive at its April 12, 2000 Lease Sale. Within said advertisement was an incorrect description and plat for Tract No. 32468, Plaquemines Parish, Louisiana. By virtue of this public notice, said descriptions and plats for said Tract Nos. 32468, is hereby corrected as follows:

TRACT 32468 - Plaquemines Parish, Louisiana

All of the lands now or formerly constituting the beds and bottoms of Mississippi River and all islands and other lands formed by accretion or reliction, except tax lands, owned by and not under mineral lease from the State of Louisiana on April 12, 2000, situated in Plaquemines Parish, Louisiana, within the following described boundaries: That portion of the Mississippi River bounded on the North or upstream by a line having a bearing North 45 degrees East, passing through a point having Coordinates of X = 2,554,900.00 and Y = 268,000.00, and bounded on the South or downstream by a line having a bearing of South 25 degrees West passing through a point having Coordinates of X = 2,565,700.00 and Y = 260,200.00, **LESS AND EXCEPT** all that portion of State Lease No. 15498 that may lie within the above described tract, containing approximately 915 acres, as shown outlined in red on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927 (South Zone).

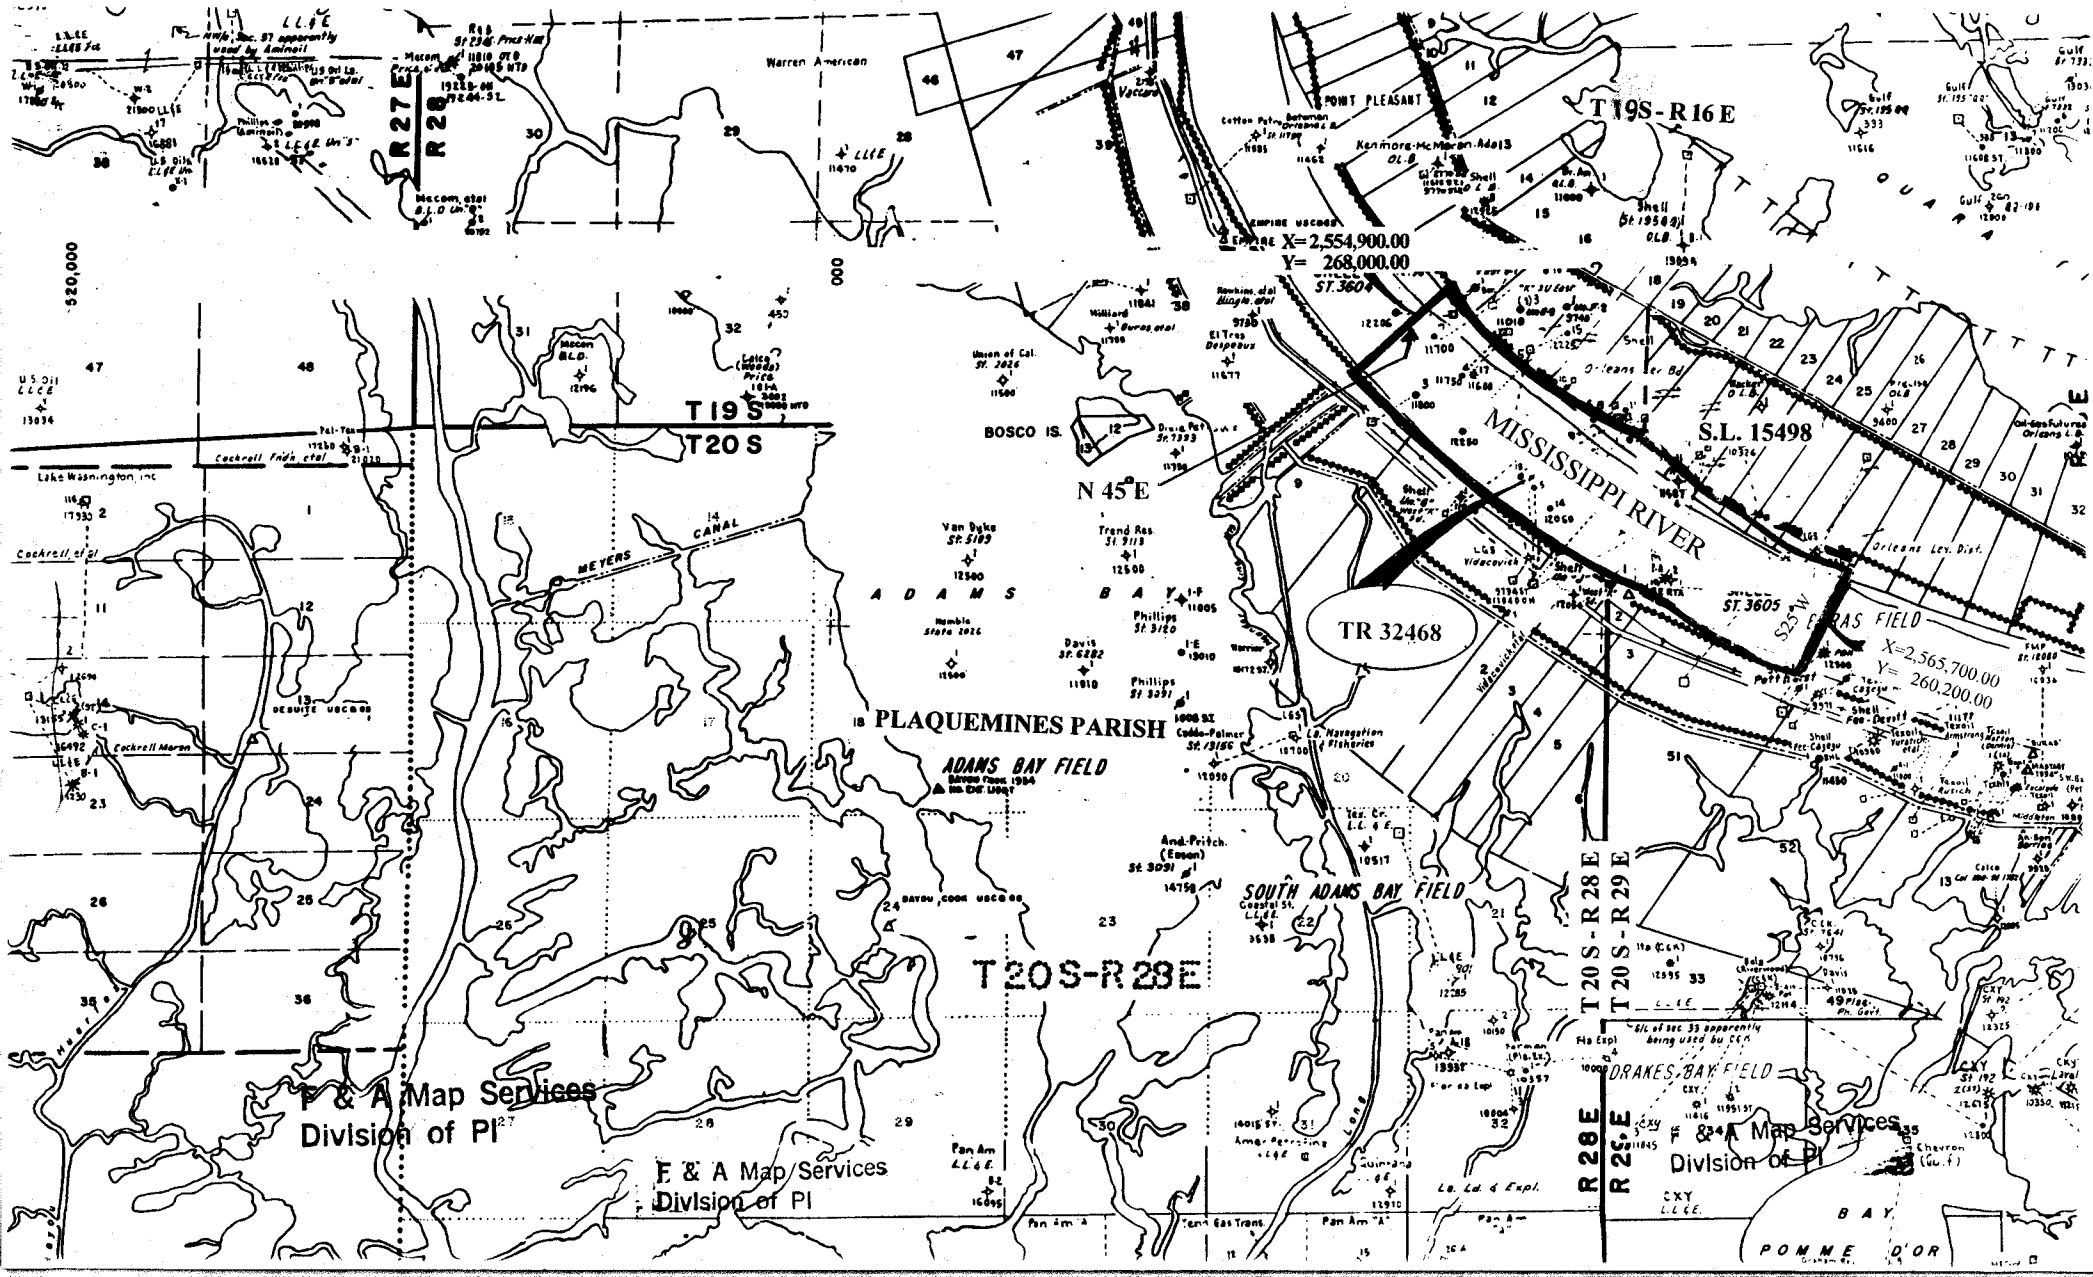

NOTE: The above tract is located in or near an oyster restricted area and all operations in such area must be conducted in strict conformity with the stipulations and/or regulations of the Louisiana Department of Wildlife and Fisheries.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as hereinabove reserved.
